## MOBILE SHOP CHAIR™

The New Human Hoist Mobile Shop Chair™ is the most revolutionary tool ever. All the innovation of the original Power Shop Chair, plus its driveable!

Adjustable back and headrests, magnetic tool trays, fingertip height control, and now leg support! Drives in all positions: chair, creeper, recliner, and everything in between.

Fits easily through a 30" doorway. The driving console flips out of the way when not needed and is armored for protection when you are working.

Batteries and chargers included.
